

Vocational Registered General Practitioner
Aboriginal Health & Medical Research Council

Thubbo Aboriginal Medical Cooperative in Dubbo has a vacancy for a full-time experienced Vocationally Registered GP to join our dedicated team in a well-established busy practice. This Accredited practice is fully computerised and offers a bulk billing service to patients.

Thubbo AMS is looking for a motivated GP to join their practice team. Applicants must have experience in all facets of general practice including managing adults, children and the elderly. It is also important to maintain partnerships with Allied Health Services and the local Area Health Service to ensure a holistic approach to Chronic Disease management. Thubbo is looking for a GP with a strong interest in Aboriginal health and the ability to assist in the expansion of this service to the community.

Thubbo Aboriginal Medical Centre is located centrally in Dubbo and currently has 1 part-time GP. The centre is supported by an Aboriginal Health Worker, Diabetes Educator and a Dietician who visit regularly. The practice is currently recruiting a Practice Manager and a Practice Nurse.

Dubbo offers a relaxed lifestyle in a vibrant well resourced friendly community. There is an attractive remuneration package available salary (Flexibly working hours and terms negotiable)
